Subject: Chat with Adrian Chen
From: Adrian Chen <repletewithadrian@gmail.com>
To: barriticus@gmail.com

me: http://blogs.villagevoice.com/runninscared/2011/04/anonymous_hosting_rally_bradley_manning_wikileaks.php
Adrian: thanks
me: no problemo
me: always happy to self-promote
Adrian: Ha. I figured Anonymous would have kicked you out after that magazine article
me: the ones who like me keep that from happening
me: most Anons don't know what my role is so they assume I just do nothing and then go to press
me: At any rate, I'm going into semi-retirement to concentrate on Project PM anyway
